

# **TIAME: About woman football**

# Case-study

## Problem

Uzbek woman's  
football don't do  
consistently.

They finish career too  
early.

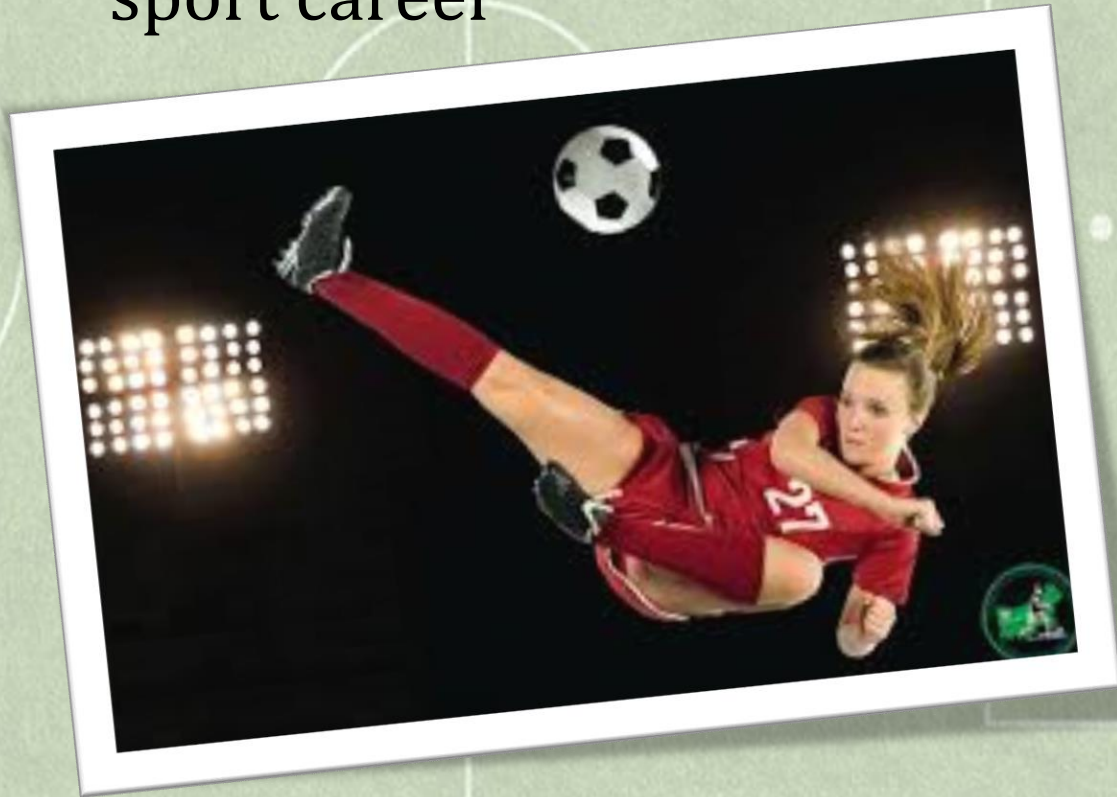

## Cause of problem

- The first-we have Uzbek mentality
- The second- the worldview of the parents
- The third-heavy loads
- The fourth-in Uzbekistan there is no professional woman's coach
- The fifth-psychological aspect

## Solution

to length the age frame  
of woman's football  
sport career

## My personal proposals for solution

- to pay more attention to woman's sport and its development
- to speak to parents every constantly
- to prepare highly qualified coaches in woman's football
- to give correct load for the girls
- to hold competitions on the international standards
