

Football is a popular sport  
game in the world.

TIAME

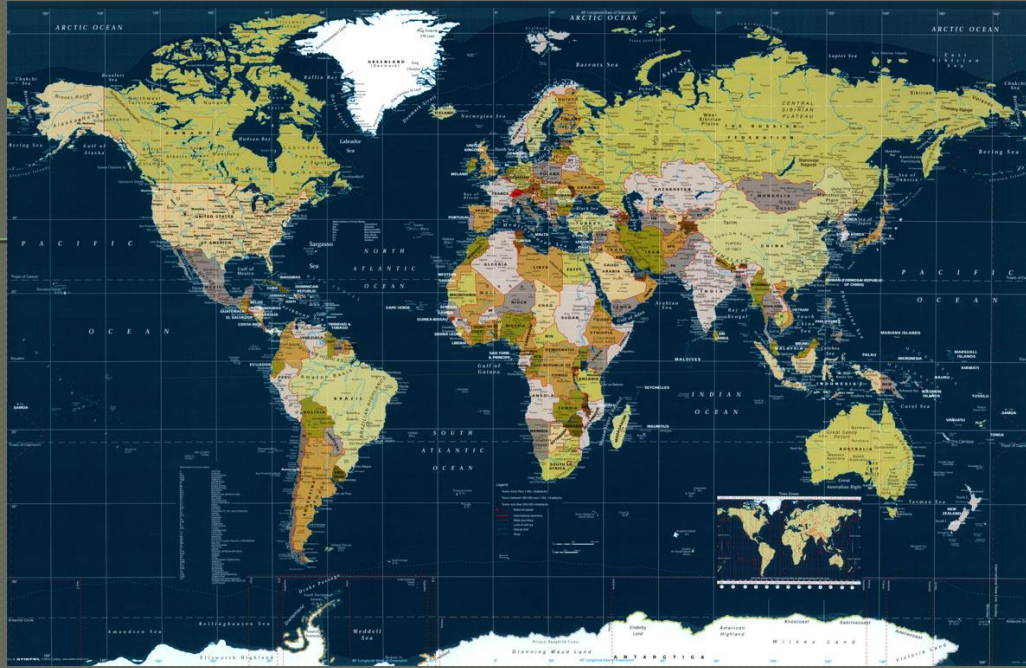

During the 1800's the people of England played a game similar to football. Now, the sport has grown to a global scale, including men's and women's teams.

The modern version of football came from England. British people are ardent fans of this game. They even have Premier League football clubs, such as Manchester United, Chelsea, Arsenal and Liverpool.

Football is a popular sport played all over the world. It is the national sport of most European and Latin-American countries and of many other nations. Millions of people in more than 140 countries play football.

The rules of football are quite simple. There are eleven players in each team. Every team tries to score as many goals as they can.

- World Cup and European Championship competitions, which is played every four years. Also there is League of Champions and FIFA Cup competitions which take place every year in Europe. The first World Cup Championship was in Montevideo, Uruguay

I am a football fan of English team "Liverpool" and my favorite player is Luis Suarez. No doubt, "Liverpool" is one of the best teams in the world! And i have a dream play in this team. But sometime ago i was injured...and my dreams fallen...but this game will never ends for me. Nothing will stop this love
