

**TEENAGERS AND
THEIR PROBLEMS
TIAME**

TEENAGERS HAVE MANY PROBLEMS

For example, how to spend their free time, what to do after school, choosing a profession, how to deal with his or her parents and so on.

**TEENAGERS DON'T LIKE WHEN THEIR
PARENTS TRY TO RULE EVERY STEP OF
THEIR LIFE**

**IF YOU WANT TO SOLVE THIS PROBLEM,
YOU MUST TRY TO UNDERSTAND EACH
OTHER.**

**THEY BEGIN SMOKING, DRINKING
ALCOHOL TO SHOW THAT THEY ARE
GROWNUPS ALREADY**

**RECENT RESEARCH HAS
SHOWN THAT BEER IS NOW
THE DRINK OF CHOICE FOR
MANY TEENAGERS.**

Teenagers today
commonly have their
first alcohol drinking
experience at 12 years
old in contrast to 13 to
14 years old in previous
generations.

**ONE OF THE MOST COMMON PROBLEM
AMONG TEENAGERS IS MOBILE PHONES
AND SOCIAL SITES.**

**The constant emailing and
posting of Facebook updates
during breakfast or dinner.**

**There are teenagers who sleep
with their phones**

**MODERN TEENAGERS, AS A RULE DON'T
REPRESENT THE LIFE WITHOUT THE
COMPUTER, THE MOBILE PHONE AND OTHER
“GADGETS”**

Most teenagers prefer watching TV and playing computer games to reading books. They don't like reading because watching TV is easier and they don't have to use their own imagination.

TEENS WHO HAVE MANIA TO COMPUTERS ARE VERY BORING.

Games transfer them into the world which doesn't exist.

It's very exciting and interesting for youth.

THEY EAT TOO MUCH FAST-FOOD

**SOME YOUNG MEN TAKE DRUGS BECAUSE
THEY THINK IT WILL BE COOL, BUT THEY
DON'T UNDERSTAND THAT IT'S WRONG**

Some of them can't stop that, and they become dependent on drugs.

Then they commit different crimes, because they need some money to buy drugs.

Everyone has a different problems but teenage problems are special. One of the worst teenage problems are schooling. Sometimes you feel bad because of teachers or classmates attitude to you. You are tired of studying, that's why you don't have energy for doing other things.

**TEENAGERS CAN HAVE
BAD HABITS BECAUSE
OF PROBLEMS IN
PRIVATE LIFE.**

**Absence of second half,
loneliness, lack of pocket
money or parents'
misunderstanding can
inspire the teen, that his
best friend is a bottle or a
cigarette.**

**Streets and street bands
can make a teen ruder
and more cruel. That's
why parents shouldn't
allow their children to
have such interests.**

**SOME TEENAGERS THINK THAT
CLEANING THEIR ROOM IS THE MOST
IMPORTANT PROBLEM OF HUMANITY.**

**TEENAGERS ARE THE
FUTURE OF THE COUNTRY.**
