A close-up photograph of a dandelion seed head, with its numerous seeds and fine hairs clearly visible. The background is a soft, warm sunset or sunrise sky, transitioning from a pale yellow near the horizon to a muted orange and then a soft purple at the top. The dandelion is in silhouette, with the light from the sun behind it creating a glowing effect around the seed head.

“What you think, you become.
What you feel, you attract.
What you imagine, you create.”
