

A glass of whiskey with ice sits on a dark bar counter. The background is a blurred bar scene with warm, low-key lighting. A single light fixture is visible in the upper center of the frame.

When someone does
something wrong, don't
forget all the things
they did right.

We make a living
by what we get, but we
make a life by what we
give.

-Winston Churchill

To your enemy, forgiveness.

To an opponent, tolerance.

To a friend, your heart.

To a customer, service.

To all, charity.

To every child, a good example.

To yourself, respect.

**Some people want
a big house, fast cars and
millions of dollars.**

**Other people want
a tiny cabin in the woods
away from those type
of people.**

Some days you feel good
because you absolutely smashed
everything on your to-do list.

Other days you feel good because
you managed to take a shower.

Whichever it is, I hope you find
something that makes you feel
good today!
