

If you want 2020 to be your year;
Don't sit on the couch and wait for it.
Go out. Make a change. Smile more. Be
excited. Do new things. Throw away what
you've been cluttering. Unfollow negative
people on social media. Go to bed early.
Wake up early. Be fierce. Don't gossip.
Show more gratitude.
Do things that challenge you.

Be brave.

Sometimes the bad
things that happen in our lives
put us directly on the path to
the best things that will ever
happen to us.

Before you begin 2020...
Re-Charge your passion.
Re-Align your vision.
Re-Connect with your
purpose.

you will wake up

you've always
wanted.**

Do it now.

**Help when you can.
Be there when you can.
Encourage when you can.
A truly happy life comes
from giving more than
you take.**

The only person you
should try to be better
than, is the person you
were yesterday.

in your mind.

has power over you,
if you allow it.
