

A black and white photograph of Albert Einstein. He is seated at a desk, looking directly at the camera with a serious expression. He has his characteristic wild, white hair and a mustache. He is wearing a dark sweater over a collared shirt. In his right hand, he holds a pen, and he is writing in an open notebook on the desk in front of him. The background is dark and filled with bookshelves, suggesting a library or study. The lighting is dramatic, highlighting his face and the texture of his hair.
