TO BE A GREAT TEACHER

YOU DON'T NEED THE LATEST
TECHNOLOGY, THE CUTEST CLASSROOM,
OR THE NEWEST OUTFIT. WHAT YOU DO
NEED IS A PASSION FOR LEARNING,
AND THE HEART TO LOVE EVERY
STUDENT WHO ENTERS
YOUR CLASSROOM.

The Head of the state had earlier forwarded 5 important initiatives to organize social, spiritual and enlightenment activities on the new system.

1
The first one envisages increasing the interest of youth in music, arts, literature, theater and other types of arts, serving to realize their talents.

2
The second initiative implies physical conditioning of youth, creation of conditions necessary for the exercise of their abilities in sports.

3
The third initiative deals with the effective use of computer technologies and the internet by the population and youth.

4
The fourth is the organization of systemic activities to improve youth spirituality and promote the reading of books.

5
The fifth is to ensure women's employment.
