It's important to make friendships that are deeper than gossiping and drinking and smoking and going out.

Make friends who you can go get breakfast with, make friends you can cry with, make friends who support your life goals and believe in you.

EXCUSES FOR BEING LATE

Sorry I'm late

The bus was late

I overslept

The traffic was terrible

My alarm didn't go off

I couldn't find a parking spot

I had to wait ages for a bus

I got lost while coming here

I was tied up in a meeting

Car broke down

Weather was bad

A landscape photograph featuring a vibrant rainbow arching over a range of dark, silhouetted mountains. The sky is filled with dramatic, dark blue and grey clouds, with some lighter patches where the sun is breaking through. The overall mood is serene and hopeful.

TRY TO BE A RAINBOW
IN SOMEONE'S CLOUD

Maya Angelou

ONE ...

One tree can start a forest:

One smile can begin a friendship;

One hand can lift a soul;

One word can frame the goal;

One candle can wipe out darkness;

One laugh can conquer gloom;

One hope can raise your spirits;

One touch can show you care;

One life can make the difference.

be that one today.
