

AutoCAD ни ишга туширувчи белги

Toolbar with icons for file operations, editing, and viewing. Layer selection dropdowns are set to 'ByLayer'. A status bar at the bottom left shows '0'.

Vertical toolbar containing various drawing and editing tools such as lines, arcs, circles, and text.

New Features Workshop

The New Features Workshop is a series of interactive animations, tutorials, and short descriptions designed to help you learn the new features.

Would you like to view the New Features Workshop now?

- Yes
- Maybe later
- No, don't show me this again

You can also access the New Features Workshop from the Help menu.
