

Agritech International Virtual Meetings Event held from June 26th to 30th, 2023

**“Tashkent Institute of Irrigation and Agricultural Mechanization Engineers”
National Research University (“TIAME” NRU)**

**Dilshodbek Ruziyev
Assistant of the Department of Engineering Systems Management**

Dear Dilshodbek,

First of all, we want to thank you for your participation in the fifth edition of the Agritech International Virtual Meetings Event 2023.

This B2B event aims to promote trade relations between Catalan (Spanish) agritech companies and specialized importers/distributors from almost all continents.

We hope that the event will bring you interesting contacts and agreements.

Kind regards,

Tatiana Traktinskaya
