JOURNAL OF MANAGEMENT AND ECONOMICS

Journal of Management and Economics (2751-1707) is an online open-access journal that publishes articles in the field of management and economics. Management is a universal phenomenon. It is a very popular and widely used term. All organizations - business, political, cultural, or social are involved in management because it is the management that helps and directs the various efforts towards a definite purpose. According to Harold Koontz, "Management is an art of getting things done through and with the people in formally organized groups. It is the art of creating an environment in which people can perform and individuals can co-operate towards attainment of group goals".
