Annex A

Paper 083-296, PRODUCTION OF BIOGAS FROM ORGANIC WASTE AT LANDFILLS BY ANAEROBIC DIGESTION AND ITS FURTHER CONVERSION INTO BIOHYDROGEN

THE COPYRIGHT TRANSFER AGREEMENT

Assignment of copyright

I hereby assign to the Journal the copyright in the manuscript(s) identified above and any tables, illustrations or other material submitted for publication as part of the manuscript(s) (the “Article(s)”) in all forms and media (whether now known or later developed), throughout the world, in English language, for the full term of copyright, effective when the Article(s) is/are accepted for publication.

Supplemental Materials

With respect to Supplemental Materials that I wish to make accessible through a link in the Article(s) or on a site or through a service of the Journal, the Journal shall be entitled to publish, post, reformat, index, archive, make available and link to such Supplemental Materials on a non-exclusive basis in all forms and media (whether now known or later developed), and to permit others to do so. “Supplemental Materials” shall mean additional materials that are not an intrinsic part of the Article(s), including but not limited to experimental data, e-components, encodings and software, and enhanced graphical, illustrative, video and audio material.

Revisions and addenda

I understand that no revisions, additional terms or addenda to this Copyright Transfer Agreement can be accepted without the Journal’s express written consent. I understand that this Copyright Transfer Agreement supersedes any previous agreements I have entered into with the Journal in relation to the Article from the date hereof.

Retention of Rights

I understand that that no rights in patents, trademarks or other intellectual property rights are transferred to the Journal.

Representations/Ethics and Disclosure I

affirm the Representations noted below.

For further information see the publishing ethics page at <http://www.elsevier.com/publishingethics> and the journal home page.

Representations

- The English version(s) of the Article(s) was/were not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- The Article(s) and the Supplemental Materials contain no libellous or other unlawful statements and do not contain any materials that violate any personal or proprietary rights of any other person or entity.
- Written permission has been obtained from copyright owners for any excerpts from copyrighted works that are included and the sources have been credited in the Article(s) or the Supplemental Materials.
- Except as expressly set out in this Journal Publishing Agreement, the Article(s) is/are not subject to any prior rights or licenses.
- If any personal details or images of patients, research subjects or other individuals are used, all consents required by applicable law have been obtained and regarding the publisher’s policies relating to the use of such images or personal information have been complied with. See <http://www.elsevier.com/patientphotographs> for further information.
- Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- If the Article(s) or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this Copyright Transfer Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

For information on the publisher’s copyright and access policies, please see <http://www.elsevier.com/copyright>.
